NARRATIVE SUMMARY

1. Narrative

During the month of January the Battery continued to occupy positions on Hill 55 and Hill 65. During the month an extensive building program was continued with work being done on ammunition bunkers and personnel bunkers at both positions.

Also during the month work was started on a new FDC bunker at the position on Hill 55. At the time of this report the work on the bunker is nearing completion.

The Battery is now sharing its position on Hill 55 with Counter Mortar Radar from the 1st Field Artillery Group. Counter Mortar shares the FDC facilities with Battery FDC and will be with FDC in the new FDC bunker.

The Battery is also making preparations for the receipt of the 175mm Guns (M107) sometime during the month of February. Personnel from the Guns, FDC and Maintenance have been attending training sessions with Army 175mm Gun units at Bravo Btry, 3th Battalion, 4th Arty Corps and at CHU LMI.

The following ammunition was expended during the month of January:
